Allowance

1. Claim 28 has been cancelled.
2. Claims 19-27 and 29-43 are allowed.
3. The following is a continuing examiner's statement of reasons for allowance:

There is no prior art available nor obvious motivation to combine elements of prior art which teach a method of producing laterally integrated semiconductor components, comprising the steps of: applying at least one first semiconductor component on an epitaxial substrate; layering a mask over said at least one first semiconductor component and said substrate, said mask defining one or more windows to said substrate; and applying at least one other semiconductor component in at least one of said one or more windows; and removing said mask layer by introduction of at least one fluoride based compound into an epitaxy reactor.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
